French – Beginner

Scholarship

Received a scholarship from Doctor Felix Neuberghs foundation in spring 2023 for studies in Singapore.

LOUISA RECK

M.Sc. Interaction design & technologies

I am a 25-year-old student passionate about creating seamless and intuitive user experiences to influence how people interact with technology positively. I thrive in collaborative environments and am always eager to learn new things. Being curious and open-minded, I traveled to Australia, New Zealand, and Asia. In my free time, I like going to the gym, playing football, learning front-end development and spending time with family and friends.

Education

2022 – Graduating June 2024

Chalmers University of Technologies | Gothenburg

M.Sc. Interaction Design and Technologies

I gained more profound knowledge of the interaction between humans and technology. I am writing my Master's thesis for Spotfire, focusing on what should be considered when presenting options for acting on selected data in analytics software.

Jan 2023 – May 2023

National University of Singapore | Singapore

Exchange semester

Studying communication, programming, and design courses to enhance my skill set while collaborating with people from diverse backgrounds and cultures. Additionally, I grew and learned to tackle new challenges independently.

2019 – 2022

Chalmers University of Technologies | Gothenburg

B.Sc. Industrial Design Engineering

Learned how to apply problem-solving to a design process. Bachelor's thesis together with Product Design Studio Boid developing a digi-physical interface to visualize household energy and challenge gender norms. Member of the Student Educational Committee 2020 – 2021 and the Ball Committee 2022.

Experience

Jan 2024 –

Female Tech Engineer 2024 | Stockholm

Participant of talent program

Chosen as one of the 40 participants for Female Tech Engineer 2024, a talent program by CoGig. I got the opportunity to learn about how different companies drive their digitalization, network and solve different cases.

Summer 2021 – 2023

Willys Hvitfeldsplatsen | Gothenburg

Store assistant

Applying effective organizational and communication skills to create the best possible customer service and experience.

Summer 2019– 2020

ICA Nära Böda Sand | Böda Sand

Store manager

Overseeing daily operations, managing a team of 20 staff members, and ensuring a positive customer experience. Took great responsibility and enhanced my leadership skills.
